

Delta Hospice Society
comfort, meaning, dignity and hope

November 2016

Dear Friends of Hospice,

Please find enclosed our 2015-2016 Delta Hospice Society Annual Report. It is a snapshot of the Society over the past year and demonstrates the great strength of our volunteer workforce, the generosity of our donors, the continued confidence of our major funder Fraser Health, and the sensitive and compassionate care offered by our professionals and support staff.

Our Annual Report tells a wonderful story about how we embrace each person who comes into our care, how we are prudent stewards of our funds, and how we continue to offer the best quality of hospice care through our staff and volunteers.

As a community-based charitable organization, we rely heavily on donations. Delta Hospice depends on community support to raise almost half of our \$2.7 million operating budget each year. All donations directly support people living with cancer or other serious illness, family and friends, and families following a death.

During this season of giving, we invite you to include Delta Hospice in your charitable giving. If you have already given a gift, please accept our heartfelt thanks.

"Not all of us can do great things. But we can do small things with great love."

Mother Theresa

You can make a difference; even the smallest donation helps us reach out to people in their time of need.
